Admission Information

WHEN TO APPLY

The admission process begins in October of the year **prior** to a child's attendance. All applications are due by December 15th. Early application is encouraged, but **does not automatically insure a place at the Center**. Applications received after December 15th will be considered as part of a second rolling admission.

All families who apply are invited to tour the Center between mid-October and mid-December.

Priority is given to children already enrolled in and attending the Early Childhood Center. Siblings of present and past enrollees are also given priority. In priority cases, applications are still expected within the application period. We cannot guarantee enrollment if applications are submitted outside of the enrollment period.

FEES

A \$75 non-refundable application fee is required with your application. A tuition schedule showing the current cost of each program is included with your application packet.
